*Caregiver for disabled person*

 Companion/Home and Community Habilitation Aide (Caregiver for disabled person) Looking to hire 1-2 Home and Community Habilitation Aides. The official position is hired through UCP of Central PA. Clearances are required as well as hiring paperwork through UCP. Position involves serving as an aide to a young adult with moderate intellectual disability. She needs help with a variety of tasks, packing her lunch, activities, playing games, wii, exercising, and getting her to her structured activities. She is in a prevocational workshop setting during the day, we often need someone to meet her when she gets home from work @ 3:30 pm and to stay with her at times. A car is necessary, as she doe a variety of activities and frequently needs to be transported to them. Position pays well. We prefer (but do not require) year-round residents of Bloomsburg, as need for coverage is reduced in the summer, but still exists. For the right person, position could expand into additional work doing some light housekeeping, food prep and other household tasks.
