Q&A:

Q: If I want to change my organization’s name, how do I go about doing so?

A: Your organization must re-submit a new constitution with it’s new name to Jen Hunsinger at jhunsinger@bloomu.edu. Once submitted, the Committee on Student Organizations (COSO) must approve the changes made to the organization’s constitution. Once the changes are approved through COSO, CGA’s Senate board must approve the changes that COSO recommended to finalize the organization’s new name.

Fundraiser Idea of the Week:

Silent Auction

Since organizations are no longer allowed to have raffles or 50/50’s, your organization may auction off items to the highest listed bidder for each item. This would be a great way to market your organization to students and fundraise at the same time! Remember to complete a fundraising form and return at least 2 weeks in advance to the CLE Office!

Club of the Week:

To Write Love on Her Arms (TWLOHA)

World Suicide Prevention Day was on Wednesday September 10th. The organization TWLOHA, handed out kits on the Quad to raise awareness to the Bloomsburg campus community.
