Q&A:
Q: My organization would like to attend a conference, but the conference will cost more than we budgeted for. What could we do for extra funding?

A: Besides fundraising, your organization may complete and submit a Finance Request to the Community Activities Office located in KUB 428. From there, you will be contacted by Jordan Stimeling, Treasurer of CGA, to meet with the Finance Committee to discuss your organization’s request for additional funding. You may locate the Finance Request form in the Community Activities Office (KUB 428) or at this link. If you have further questions, you may contact Jordan Stimeling at js15613@huskies.bloomu.edu.

Fundraising Idea of the Week:
Guess the Amount!

Have a jar of candy for people to spend a $1 to guess how much of the candy is in a dish. To tie in a theme, you can relate the candy to your organization or use seasonal candy, such as candy corn. Remember to complete a fundraising form and return at least 2 weeks in advance to the CLE Office!

On Saturday September 20th, CLE students attended the student organizational leadership track workshop in KUB Multi 345A from 10am-3pm. The students learned about goals and roles of an executive board for an organization; member recruitment, recognition, & retention; budgeting; and fundraising and event planning. At the end of the workshop, the students teamed up to apply what they learned throughout the day. The students created a fictional organization that needed to budget for a fundraiser. Students received a resource page with all contact information and SMART Goal packets to utilize for the organizations they are a part of.
