Q: How can my organization find more people to recruit?

A: 1. Have a “bring a friend” meeting and members who do bring a friend, will be rewarded.
2. Have food at your next meeting. Who doesn’t like free food?
3. Ask professors if you may speak in their classes about your organization.
4. Social Media! If you don’t have a Facebook or Twitter, create one for prospective members to see what your organization is.
5. Collaborate with other organizations and ask what strategies work best for them in terms of recruitment.

Q&A: Club of the Week:

Colleges Against Cancer

Saturday, October 14th, College Against Cancer held their second annual Color Your World with Hope 5K Run/Walk. There were 645 participants lined up at the starting line on the rainy morning. When asked about how this 5K first came about, President Page Herto stated “I came up with the idea for a color run because I thought the colors of powder being thrown could go with the different cancer awareness colors well and so began lots of planning and preparation!”. This year’s total amount raised was $12,670.85. Page was proud of the final outcome and could not have done it without the help of her ‘awesome CAC executive board.’ October 20th-24th is Breast Cancer Awareness Week. Keep an eye out for CAC’s fundraisers, events, and decorating the quad pink. Congratulations on your successful event CAC!

Interested in joining CAC? Contact President Page Herto at pah60133@huskies.bloomu.edu
