

The Division of Student Affairs is pleased to announce

The H. Preston Herring Leadership Scholarship

Are you a:

- Current undergraduate sophomore or junior in good standing?
- Do you exhibit leadership qualities such as service and commitment?
- Have you demonstrated leadership and service to the Town of Bloomsburg and Bloomsburg University through volunteering, community employment and active participation in on-campus organizations?

The first Herring Scholarship recipient, Eric Schwartz, said, "The scholarship helped not only from a financial aspect, but it also drove me to continue to work hard in and out of the classroom. It seemed the more I learned about Dr. Herring, the more humbled I was by the gift from his family and the more focused I was on living up to being the scholarship's recipient."
